

# MEMBERSHIP

Ten percent of investor dues are deposited into our seed capital fund. This resource is used to provide financial support for the development and/or expansion of business and industry which will create or add new jobs in our area. This fund has accumulated over \$300,000 throughout its existence. The remaining 90% of member dues are used for administration costs.

Membership is comprised of individuals, businesses, groups, and organizations that support economic and community development in our area.

Charter investors include: the City of Macomb, McDonough District Hospital, Western Illinois University, McDonough County, and the Macomb Area Chamber of Commerce.
